The Reserve Medical Officer will work in the Headquarters Government Hospital under the District Medical Officer.

3. I therefore, request that Government may be pleased to sanction the post of a Reserve Medical Officer for this District Board in the circumstances stated above.

Please see the letter of the P.D.B. South Kanara in the cf. In order to relieve the medical officers employed in the I.L.F. medical institutions under the ~~Madras~~ Medical Dt. Board whenever they go on leave the board has in its resolution no. 3579 dated 20.6.46 ~~created~~ at the instance of the D.M.O. South Kanara a reserve medical officer. The S.G. has recommended the proposal for consideration whether the proposal may be accepted. There is a dearth of medical officers of modern medicine now and some allopathic medical institutions have been temporarily closed. A sum of Rs. 940 is required per annum to meet the pay and dearness allowance of the reserve medical officer. The remarks of L.A. may be invited as to whether the District Board can afford to meet the expenditure.
